

**2012 QUESTIONNAIRE FOR
CANDIDATES FOR NEW YORK STATE LEGISLATURE**

Citizens Union would appreciate your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the September 13th Primary Election, and our "Endorsed Candidates" for the November 6th General Election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed.

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

- b. what are the top five promises you are making to the voters during this campaign?

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

TOP FIVE CAMPAIGN PROMISES FROM 2010 AND ACTION ON THEM

1. To promote civil rights for all New Yorkers -- I helped enact New York's marriage equality law and continue to work to protect the right of women to make personal reproductive health care decisions free of governmental intrusion.

4. Improving state outreach and enforcement efforts to combat domestic violence -- I helped enact legislation strengthening New York's domestic violence laws and helping victims and their families to maintain their safety and privacy when accessing health care services.
5. Improving economic opportunity for all New Yorkers -- I introduced legislation to raise the statewide minimum wage and to implement a New York Dream Fund giving the children of undocumented immigrants an opportunity to pay for college.

5. I will continue to fight for the political, budgetary and administrative reforms necessary to make state government more efficient, transparent and responsive to the needs of all New Yorkers.
