6. I do not believe that the current number of signatures required to be on the ballot for Assembly, 500, is burdensome and witness signature requirements have become less stringent. My greatest concern involves County Committee Members. The process to qualify individual members, by Election District, seems pointless.

9. I will not support Election Day voter registration until the Board of Elections enters the 21<sup>st</sup> Century and can verify that a person has not registered at another location. There are too many names listed on the current roles of voters who no longer reside in the district, whether the voter has moved or is deceased.

## CAMPAIGN PROMISES MADE TO VOTERS (PAST and CURRENT)
