# 2013 QUESTIONNAIRE FOR CANDIDATES FOR CITY COUNCIL

Citizens Union would appreciate your response to the following questions related to policy issues facing the City of New York that are of concern to Citizens Union and residents of the City. We plan to make public your responses to this questionnaire in our Voters Directory, on our website, and in other appropriate venues. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the primary election and "Endorsed Candidates" for the general election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed. We thank you very much for your response.

#### **Additional Comments:**

I have extensive experience in voting system and election reform. I previously worked for FairVote as Senior Analyst, producing a report on the opportunities for choice voting in New York City. I was Deputy Director of the New America Foundation's Political Reform Program and I also worked for the New Zealand Parliament as their National Voting System Reform coordinator. I support legal resident, non-citizen voting for municipal elections and removing barriers to participation at every level. Queens is the most diverse county in the country and District 22 is extremely diverse both ethnically and ideologically. I strongly believe we need to bring back proportional representation to New York City -- diverse viewpoints around the legislative table makes better public policy.

#### II. CANDIDATE ACCOUNTABILITY QUESTIONNAIRE

Citizens Union is adding a new element to its evaluation of candidates running for office. As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as, to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

#### **TOP FIVE 2013 CAMPAIGN PROMISES**

I do not make campaign promises, but I certainly talk about issues that I will stand up and fight for, such as:

- Access to healthy food through healthy senior and school lunch programs and an affordable supermarket in the Astoria Peninsula, currently a food dessert
- 2. Seven-day library service in at least one branch in Western Queens, and additional funding for community centers and after school programs
- Increased bus service, accessible subways, more bike lanes, bike racks on buses and a range of traffic calming measures on 21st Street, 33rd Street and other dangerous corridors, especially near schools
- 4. Newtown Pedestrian Plaza and increased green spaces, including a Greening Vacant Lots programs to install rain gardens and bioswales to catch stormwater runoff; a Greenest Block Program to encourage local residents and small business owners to help keep our streets clean and green.
