

2012 QUESTIONNAIRE FOR CANDIDATES FOR NEW YORK STATE LEGISLATURE

Citizens Union would appreciate your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the September 13th Primary Election, and our "Endorsed Candidates" for the November 6th General Election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed.

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

Citizens Union Questionnaire 2012 Statement—Nily Rozic

As Chief of Staff to Assembly Member Brian Kavanagh, who chairs the Assembly Subcommittee on Election Day Operations and Voter Disenfranchisement, I worked on many of the issues within your questionnaire and other issues that Citizens Union advocates for. These include but are not limited to: receiving prompt results on election night, expanding voter registration through the Automatic Voter Registration Act, allowing people to register to vote up until 10 days before election day, elimination of restrictions on voters enrolling in a party or changing their party. Open Meetings legislation, ballot redesign, creation of more stringent requirements for financial disclosure by public officials, and restrictions of campaign contributions from lobbyists and those receiving government contracts. Additionally, I worked on many other ethics reform, campaign finance and public campaign finance issues. Citizens Union's concerns about transparency and the role of money in politics are my concerns as well. I look forward to working with Citizens Union toward making our political system more fair and just.
