

**2012 QUESTIONNAIRE FOR
CANDIDATES FOR NEW YORK STATE LEGISLATURE**

Citizens Union would appreciate your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the September 13th Primary Election, and our "Endorsed Candidates" for the November 6th General Election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed.

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

I think what happened with redistricting was a disgrace and a sham on the voters. Anything short of an independent commission reinforces the voter's cynicism toward government. Voters should pick their legislators, not the other way.

I am a co-sponsoring most of the Ethics Reform, Legislative and Campaign reform bills.

Many years ago, when I was active in LWV, Merit Selection was on the agenda with retention provisions. I'm not sure the appointment process is any better than elections. In addition we need more judges who look like the people appearing before them.

Re Government reform: we need to consolidate local governments - How many agencies do we need to fix/plow highways? We do not need 700 school districts and we certainly do not need independent districts and authorities.

II. CAMPAIGN PROMISES MADE TO VOTERS (PAST AND CURRENT)

- b. what are the top five promises you are making to the voters during this campaign?

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

4. First time no cuts to SUNY + CUNY in many years
