Citizens Union appreciates your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. **Please return the questionnaire to us as soon as possible, and no later than July 11<sup>th</sup>.** Responses to these questions will be one of several factors Citizens Union uses to evaluate candidates running for office in order to determine our “Preferred Candidates” for the September 9<sup>th</sup> Primary Election, and our “Endorsed Candidates” for the November 4<sup>th</sup> General Election.

If you seek our support, we will also need to schedule an interview with you as part of the evaluation process. **We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. **PROMISES MADE TO VOTERS (PAST AND CURRENT)**

As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as, to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

**TOP FIVE 2014 CAMPAIGN PROMISES OR GOALS**

1. Campaign Finance Reform: If elected I will push for statewide campaign finance reform based on the public matching system used in NYC. Not only will this reduce the power of private donations in Albany but it will make running for office more accessible. It is unacceptable that personal wealth

can play a major role in who can run for office. It is the responsibility of our government to ensure that anyone has the chance to represent the people.

2. Raising the Minimum Wage: The minimum wage does not cover basic necessities making life difficult for middle-class families. I will work with other elected officials to close the gap from living on an annual minimum wage and the cost of living.
3. School Overcrowding: As a public school parent I have witnessed first hand the problems in our public school system. If elected I aim to make education a top priority and ensure that all schools have the resources they need to better serve our communities.
4. Transportation: The 76<sup>th</sup> Assembly District is greatly under served by the current transportation infrastructure. The 2<sup>nd</sup> Avenue subway line has faced far too many delays, while Roosevelt Island residents face far too infrequent F train service. It is vital that the Upper East Side and Roosevelt Island receive greater service by both bus and rail.
5. Womens Equality: The majority of residents on the Upper East Side and Roosevelt Island are women. These women deserve the protections of the Women's Equality Act. If elected, I will fight for this bill, along with any and all legislation which works towards a more equitable society.
