**CITY COUNCIL REFORM**

8. How do you feel the reformed bill drafting process is going under the enacted 2014 Council Rules Reforms and do you think we need a more independent process similar to New York State Legislature's bill drafting commission?

The process has improved, but could use improvement. Although bills drafted by the independent commission have increased transparency, many bills are still drafted by committee staff. We need a fully independent process that allows every New Yorker to know that the process was independent and the results easily-understandable.

9. What is your position on the following proposals enabling Council committees to function more effectively and independently of the speaker:	
a. Should committee chairs have the ability to hire at least one committee staffer?	<u>Support</u> / Oppose
b. Should committee hearings and votes be scheduled at the direction of the chairs?	<u>Support</u> / Oppose
c. Should committees be able to issue subpoenas by a vote of their members?	<u>Support</u> / Oppose
d. Now that committee chair stipends have been eliminated what is your position on reducing the overall number of committees so members can participate more meaningfully in fewer issues?	<u>Support</u> / Oppose
10. What is your position on greater disclosure of councilmembers' outside income?	<u>Support</u> / Oppose
11. When the Quadrennial Compensation Commission is reconvened, what is your position on requiring that any future increase in councilmember compensation only apply prospectively to the following term?	<u>Support</u> / Oppose
12. What is your position on ensuring a more equitable and needs-based distribution of discretionary funding?	<u>Support</u> / Oppose
13. What is your position on increasing transparency of discretionary funding by requiring the list of capital and expense funds and their sponsors be provided to Councilmembers and the public three days in advance of any vote, and expanding the online searchable database of expense funds to include all capital fund recipients and applicants?	<u>Support</u> / Oppose
14. What is your position on extending term limits from two four-year terms to three four-year terms?	<u>Support</u> / Oppose
15. What is your position on making all actions designed to influence any City Council outcome, including the choice of Speaker, reportable as a lobbying expense?	<u>Support</u> / Oppose

**PUBLIC SAFETY AND OVERSIGHT OF POLICE MISCONDUCT**

16. What is your position on establishing the Commission to Combat Police Corruption (CCPC) as a permanent commission in the City Charter while empowering the CCPC to issue subpoenas?	<u>Support</u> / Oppose

18. What is your position on granting the Civilian Complaint Review Board (CCRB) with the authority to prosecute officers found guilty of lying during CCRB investigations?	<u>Support</u> / Oppose
19. What is your position on reinstating the zero tolerance penalty for false official statements by public officers?	<u>Support</u> / Oppose
20. What is your position on requiring the Police Commissioner to explain divergence from NYPD trial judge and CCRB disciplinary recommendations and to make the explanation public?	<u>Support</u> / Oppose
21. What is your position on requiring the NYPD to publish a regular report of use of force incidents with data disaggregated by race?	<u>Support</u> / Oppose

c. the public advocate?	<u>Support</u> / Oppose

25. What is your position on release of revenue projections (other than property taxes) prior to Council hearings on the Executive budget?	<u>Support</u> / Oppose

**LAND USE AND COMMUNITY BOARD REFORM**

26. What is your position on designating urban planners for use by community boards and requiring borough president's report to the Council the manner in which they advertise and make community board appointments?	<u>Support</u> / Oppose
27. What is your position on establishing a formal standardized and transparent process for community board appointments including written applications, interviews of candidates, and filling vacancies within 30 days?	<u>Support</u> / Oppose

**CONSTITUTIONAL CONVENTION**

28. In November, voters in New York will be asked whether they wish to hold a constitutional convention to amend the New York State Constitution. What is your position on holding such a convention?	Support / <u>Oppose</u>
---	-------------------------

29. If you support the constitutional convention, what actions, if any, will you take to ensure that it takes place? If you oppose the convention, what will you do to defeat it?

*I believe that a Constitutional Convention offers opportunities for reform. But there are other concerns. I fear that a convention could result in the elimination of basic protections for labor union members, and ultimately entrench anti-reform reactionaries in the New York State Senate.*

30. Last year, Citizens Union helped craft and push for the enactment of a law that placed political contribution limits and disclosure requirements on nonprofits that are formed by, or affiliated with, elected officials, which helped prevent some significant features of an emerging "pay-to-play" culture in New York City. Do you have any other ideas to further limit such a culture and create a better environment where contributions, either personal or political do not unduly influence the actions of elected officials?

Yes. First, we need real limits on City Council members lobbying the City government after their terms. Second, we need to impose more comprehensive disclosure rules for independent expenditures. Third, there should be better guidelines - mandating - for recusal when a City Council member or other official has received support from a contributor with business before the City.

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.
