

2013 QUESTIONNAIRE FOR CANDIDATES FOR CITY COUNCIL

Citizens Union would appreciate your response to the following questions related to policy issues facing the City of New York that are of concern to Citizens Union and residents of the City. We plan to make public your responses to this questionnaire in our Voters Directory, on our website, and in other appropriate venues. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the primary election and "Endorsed Candidates" for the general election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed. We thank you very much for your response.

II. CANDIDATE ACCOUNTABILITY QUESTIONNAIRE

Citizens Union is adding a new element to its evaluation of candidates running for office. As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as, to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

TOP FIVE 2013 CAMPAIGN PROMISES

1. Fight INFILL and other land/lease of NYCHA housing land to developers for luxury public housing. Solve NYCHA's deficit by A) Rerouting the \$75,000,000 it now transfers yearly to NYPD, while getting nothing in return; B) Filling huge number of administrative-created vacancies to increase revenue, and C) Use of general revenue, with tax increases on the super-rich.
2. Stop closing, privatizing and charterizing the school system. Restore public education to its former excellence and expand its availability to all through high school. Reverse Artspace and restore P.S. 109 as a public school.
3. Build low-income housing as top priority through public, private and mixed sectors. End planned shrinkage. Strengthen tenant organization, and rent regulation and tenant protections. Stop the housing court eviction mill. Amend Tenant Protection Act to restore tenants' rights to sue once more for treble damages paid to the tenant without requiring special housing inspectors as

- witnesses, and change rules of evidence to allow tenants to prove grievances. No more smoke and mirrors. Repeal 125th Street River-to-River Rezonement.
4. Place all discretionary fund disbursements in a database on a publicly accessible NYC.gov web page, and track what is done with the funds. End the disgraceful invitation to corruption that currently reigns. Prosecute abusers retroactively if fraud or other laws then in place were violated at the taxpayers' expense.
 5. Constitutional limitations on stop-and-frisk. No NYPD drones. Support strong Inspector General to investigate and prosecute police abuses.
 6. Label genetically modified food.
