More needs to be done to ensure that Council members bills get a hearing and attention irrespective if the Speaker of the Council supports the issue or not. The City Council should reflect our democratic form of government through and through.

13. What is your position on increasing transparency of discretionary funding by requiring the list of capital and expense funds and their sponsors be provided to Councilmembers and the public three days in advance of any vote, and expanding the online searchable database of expense funds to include all capital fund recipients and applicants?	Support / Oppose
14. What is your position on extending term limits from two four-year terms to three four-year terms?	Support / Oppose

Support / Oppose

CONSTITUTIONAL CONVENTION

28. In November, voters in New York will be asked whether they wish to hold a constitutional convention to amend the New York State Constitution. What is your position on holding such a convention?

Support / Oppose

29. If you support the constitutional convention, what actions, if any, will you take to ensure that it takes place? If you oppose the convention, what will you do to defeat it?

It is always necessary to get community support on all issues affecting our city and state. I would organize and rally community residents so that they understand the importance of utilizing their voices in the democratic process.

30. Last year, Citizens Union helped craft and push for the enactment of a law that placed political contribution limits and disclosure requirements on nonprofits that are formed by, or affiliated with, elected officials, which helped prevent some significant features of an emerging "pay-to-play" culture in New York City. Do you have any other ideas to further limit such a culture and create a better environment where contributions, either personal or political do not unduly influence the actions of elected officials?

My past history is no secret. Yet, I acknowledge my mistakes and highly regret them. I am ready to give back to my community. I will support the law crafted by Citizens Union and will continue to push for greater transparency and scrutiny in the process.

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

With respect to question 18, it will be important to involve our district attorneys with matters pertaining to lying during investigations^{led} by any agency. In this case, CCRB and the DAs should work together to ensure that justice prevails.

II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, what are your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as to evaluate your candidacy in the future.

Please feel free to use additional paper if the space provided is not sufficient, and to affix additional information such as a résumé, campaign brochure, or issue statements. We thank you very much for your response.

TOP FIVE 2017 CAMPAIGN PROMISES OR GOALS

1. Our community is in dire need of affordable housing. For this reason, I have fought hard for the City to approve the Willets Point plan I negotiated with Mayor Bloomberg that would create needed affordable housing in a community that needs it. I will keep pushing our leaders so that we deliver for our families.

2. We must keep fighting for our children's future by improving our schools. While in office I pushed to redirect monies to build more schools and to invest directly into our classrooms. I also directed millions of dollars for computers in numerous schools in my district. I will continue to fight for this once elected again.

3. I will fight to secure monies to keep our streets and park space clean and will lead efforts to keep our neighborhoods safe. While in the Council I funded programs that lead these efforts and will do so again to ensure that our communities remain vibrant.

III. ETHICAL REPRESENTATION OF CONSTITUENTS

Citizens Union believes that all New Yorkers deserve to be represented by officials who work for the public interest and honor public trust. With the corruption conviction of recent state legislative leaders, we seek to endorse a candidate who will demonstrate that she/he will honor the full commitment of the oath of office, and will always represent the public interest above all else.

Please tell us how you have and would continue to conduct the political affairs of this office in an upright manner, and restore the public trust in your district.

I am the first to acknowledge that elected officials must be held to the highest possible standards. I will work with my colleagues to enact stricter ethics rules to ensure that members live up to these standards.
