

2013 QUESTIONNAIRE FOR CANDIDATES FOR CITY COUNCIL

Citizens Union would appreciate your response to the following questions related to policy issues facing the City of New York that are of concern to Citizens Union and residents of the City. We plan to make public your responses to this questionnaire in our Voters Directory, on our website, and in other appropriate venues. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the primary election and "Endorsed Candidates" for the general election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed. We thank you very much for your response.

Additional Comments:

I look forward to discussing these topics in further detail during the interview. I have included a few brief additional comments below.

Voting and Elections Reform

Campaign Finance Reform

I have been active on these issues in both the City and State arenas for many years, and I have attached a sampling of additional materials showing some of my work in this area.

City Council Reform

I support the elimination of all additional stipends (“lulus”). Discretionary funding must be based on needs-based and objective standards, and must be fully transparent.

Public Safety and Oversight of Police Misconduct

I am not a newcomer to these issues. I have worked closely for years with many activists, including Jews for Racial and Economic Justice and Citizen Action to highlight these issues, and was arrested as an act of civil disobedience following the Amadou Diallo shooting.

Budget Reform

In my community, I organized a “Budget Speakout” so Upper West Side residents, representatives of nonprofit organizations, and others who might not be able to attend a formal City Council hearing would have an opportunity to present their views. Two local Council Members attended in person (a third sent a representative) and we submitted a transcript to the City Council for its deliberations.

II. CANDIDATE ACCOUNTABILITY QUESTIONNAIRE

Citizens Union is adding a new element to its evaluation of candidates running for office. As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as, to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

TOP FIVE 2013 CAMPAIGN PROMISES

My campaign is not focused around “promises” – it is about taking a reformist, progressive approach to governance so we have a better chance of preserving and expanding affordable housing, improving our public schools and enhancing our quality of life. Having said that, here’s my best effort at a “top five” list of deliverables:

- 1. Reform of City Council operations and procedures.**
- 2. Providing more secondary school seats on the Upper West Side, including a new District 3 middle school and a high school which will serve local residents.**
- 3. Enhancing pedestrian safety through implementation of traffic-calming measures, increased pedestrian lead times at intersections, reduced speed limits, and improved enforcement.**
- 4. Reducing our carbon footprint by reducing reliance on “dirty” fuels, increasing the use of alternative energy sources, reducing vehicle emissions and “greening” our building codes and other regulations.**
- 5. Promoting New York City “home rule” by transferring authority over local issues from Albany to City Hall.**
