Please state whether you support or oppose the following reform measures, and feel free to elaborate in the space provided at the end or on additional paper.

2. What is your position on instituting Instant Runoff Voting for all citywide offices and for all special elections for city offices?	Support / Oppose
3. What is your position on creating a voluntary municipal poll worker program to supplement poll worker recruitment by district leaders?	Support / Oppose

5. What is your position on modifying the City Charter to require that laws enacted by referendum only be changed through approval by the voters?	Support / Oppose

### CAMPAIGN FINANCE REFORM

6. What is your position on prohibiting participants in the city's campaign finance program from using public matching funds to purchase strategic campaign consulting services from firms that also provide lobbying services?	Support / Oppose
7. What is your position on increasing the Campaign Finance Board's public matching grants from a partial match of 55% to a full match of funds raised (Int. 1130-A)?	Support / Oppose

### CITY COUNCIL REFORM

8. How do you feel the reformed bill drafting process is going under the enacted 2014 Council Rules Reforms and do you think we need a more independent process similar to New York State Legislature's bill drafting commission?

Like the NYS legislature, there should be a bill drafting commission that is non-partisan

The current NYC council bill drafting unit enacted with the 2014 Council Rules still does not ensure all bills go to this unit. Committees + central staff still control how bills are directed + need "leaders" to get their bills introduced  
This needs to change

9. What is your position on the following proposals enabling Council committees to function more effectively and independently of the speaker:	
a. Should committee chairs have the ability to hire at least one committee staffer?	Support / Oppose
b. Should committee hearings and votes be scheduled at the direction of the chairs?	Support / Oppose
c. Should committees be able to issue subpoenas by a vote of their members?	Support / Oppose
d. Now that committee chair stipends have been eliminated what is your position on reducing the overall number of committees so members can participate more meaningfully in fewer issues?	Support / Oppose
10. What is your position on greater disclosure of councilmembers' outside income?	Support / Oppose
11. When the Quadrennial Compensation Commission is reconvened, what is your position on requiring that any future increase in councilmember compensation only apply prospectively to the following term?	Support / Oppose
12. What is your position on ensuring a more equitable and needs-based distribution of discretionary funding?	Support / Oppose
13. What is your position on increasing transparency of discretionary funding by requiring the list of capital and expense funds and their sponsors be provided to Councilmembers and the public three days in advance of any vote, and expanding the online searchable database of expense funds to include all capital fund recipients and applicants?	Support / Oppose
14. What is your position on extending term limits from two four-year terms to three four-year terms?	Support / Oppose
15. What is your position on making all actions designed to influence any City Council outcome, including the choice of Speaker, reportable as a lobbying expense?	Support / Oppose

**PUBLIC SAFETY AND OVERSIGHT OF POLICE MISCONDUCT**

16. What is your position on establishing the Commission to Combat Police Corruption (CCPC) as a permanent commission in the City Charter while empowering the CCPC to issue subpoenas?	Support / Oppose
17. What is your position on enhancing the Civilian Complaint Review Board's (CCRB) authority to initiate an investigation into reported or known incidents of police misconduct without receipt of a formal complaint?	Support / Oppose
18. What is your position on granting the Civilian Complaint Review Board (CCRB) with the authority to prosecute officers found guilty of lying during CCRB investigations?	Support / Oppose
19. What is your position on reinstating the zero tolerance penalty for false official statements by public officers?	Support / Oppose
20. What is your position on requiring the Police Commissioner to explain divergence from NYPD trial judge and CCRB disciplinary recommendations and to make the explanation public?	Support / Oppose
21. What is your position on requiring the NYPD to publish a regular report of use of force incidents with data disaggregated by race?	Support / Oppose

30. Last year, Citizens Union helped craft and push for the enactment of a law that placed political contribution limits and disclosure requirements on nonprofits that are formed by, or affiliated with, elected officials, which helped prevent some significant features of an emerging "pay-to-play" culture in New York City. Do you have any other ideas to further limit such a culture and create a better environment where contributions, either personal or political do not unduly influence the actions of elected officials?

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

I am ~~and~~ proud to be endorsed by the NYS Reform Party and to appear on their ballot line in the general election.

I will always fight for a more transparent and open city government, including a Non-partisan Board of Elections

## II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, what are your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as to evaluate your candidacy in the future.

Please feel free to use additional paper if the space provided is not sufficient, and to affix additional information such as a résumé, campaign brochure, or issue statements. We thank you very much for your response.

### TOP FIVE 2017 CAMPAIGN PROMISES OR GOALS

1. Fight to reduce the burdensome city regulations that are strangling our small businesses, and mom & pop shops.
2. Strengthen laws against illegal home conversions.
3. Fight to keep Bikers Island open and ensure a jail does not open in the 43<sup>rd</sup> Council District.
4. Work to provide more youth recreational activities and programs in my district.
5. Introduce legislation to reduce property tax rates.

### III. ETHICAL REPRESENTATION OF CONSTITUENTS

Citizens Union believes that all New Yorkers deserve to be represented by officials who work for the public interest and honor public trust. With the corruption conviction of recent state legislative leaders, we seek to endorse a candidate who will demonstrate that she/he will honor the full commitment of the oath of office, and will always represent the public interest above all else.

Please tell us how you have and would continue to conduct the political affairs of this office in an upright manner, and restore the public trust in your district.

Unlike the current incumbent, I will NOT have on my staff candidates for public office. By doing ~~the~~ this, the lines get blurred as to whether the taxpayers are paying for a staff member to serve them, or propel their own political career.

I will always run a transparent and open office, and seek counsel from good government groups on how to best accomplish this goal.

**NEW LEADERSHIP**

*for Dyker Heights, Bath Beach,  
Bay Ridge & Bensonhurst.*

**EDUCATOR. BUSINESSMAN.  
COMMUNITY LEADER.**

Bob Capano is an experienced civic leader who knows how government and business works. A life-long Republican, born, raised, and educated in our neighborhoods, with an impressive record of community service.

Over the years, I have proudly been involved with many local community groups, including:

- Serving as President of the 68th Precinct Youth Council, which provides over 1,100 local children with recreational baseball and soccer programs
- Co-chaired the Civic Affairs Committee of the Bay Ridge Community Council
- Served as a member of the 68th Precinct Community Council
- I was honored to receive a Certificate of Appreciation from the Fort Hamilton Army Garrison for my "support of service members and family members at Fort Hamilton"

I am a life-long Republican and was born, raised, and educated in our neighborhoods. My wife Michele and I still live here, along with our dog Holly, and two cats, Milo and Holly! I graduated from Saint Patrick's Elementary School and Xavierian High School. That's why I'm a strong supporter of school choice and education tax credits for parents who sacrifice to send their children to parochial and private schools.

"Rudy Giuliani worked hard to get addicts and drug dealers off our streets. Now, the City Council wants to bring them back with taxpayer funded Heroin Injection Centers in our neighborhoods."

That's wrong! That's why we need Bob Capano in the City Council to fight for our neighborhoods and for the hardworking, law abiding New Yorkers who live in them."

**Curtis Silva**  
Founder of the Guardian Angels

It's my firm belief that Mayor Bill de Blasio's progressive policies are progressively bad for New York. How else can you explain the current taxpayer funded study to open city run Heroin Injection Facilities in our neighborhoods? That's shocking and wrong!

That's why I stood up and spoke out about it. The Mayor and his left-wing buddies didn't like it, especially when I appeared on Tucker Carlson's show on the Fox News Channel and explained to a national audience just how ludicrous and dangerous this idea is.

Unlike my opponents who have only collected a salary on the taxpayers' dime working in government throughout their entire lives, I work in the private sector managing a business with over 50 employees. I know first-hand what it means to balance a budget, make a payroll, and deal with the constant headache of excessive city, state, and federal red tape and regulations. Simply, I work in the real-world like most of us do, and am not part of the political establishment.

I think it is time to bring in someone who is not anointed by any elected official or party boss, and someone who understands the simple fact that you and our community must always be our priority. Over the next several months, I hope to prove to you that I am this Republican.

I hope you will stand with me to finally bring new leadership to our community.

Sincerely,

  
Bob Capano
