2013 QUESTIONNAIRE FOR CANDIDATES FOR CITY COUNCIL

Citizens Union would appreciate your response to the following questions related to policy issues facing the City of New York that are of concern to Citizens Union and residents of the City. We plan to make public your responses to this questionnaire in our Voters Directory, on our website, and in other appropriate venues. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the primary election and "Endorsed Candidates" for the general election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed. We thank you very much for your response.

Additional Comments:

I am all for "good government" but really we need the voters to step up. I am and will be accountable to my community. I hope they have faith in the job I do and decisions I make. If they don't they will not vote for me. When it comes to appointments to the Community Board we ALL know that politics play a role but requiring the C.P. to report and applications? It's window dressing. We have real issues we need to tackle → I support transparency. Community Boards need independent oversight in terms of their Administrative Functions. I could support an independent "Monitor" for CBI or something. I support full disclosure of all members assets, business dealings, even meetings — public life means we are beholden to the public, unless it's a personal or family social issue the things affected officials do is over and over.

★ I am from the community. It is really hard for me to compete without \$, yet I am a strong and viable candidate NO MATTER WHAT b/c I am working with my neighbors every single day. Thank you!!!
- Carlos
