30. Last year, Citizens Union helped craft and push for the enactment of a law that placed political contribution limits and disclosure requirements on nonprofits that are formed by, or affiliated with, elected officials, which helped prevent some significant features of an emerging "pay-to-play" culture in New York City. Do you have any other ideas to further limit such a culture and create a better environment where contributions, either personal or political do not unduly influence the actions of elected officials?

Numerous policies to prevent such actions are currently in place by the NYCCFB. Although I can not think of additional ones I will support efforts to ensure current ones are followed and support transparency and penalties when they are not.

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

As it pertains to voting reform I would like to ~~be~~ pass a bill that allows no excuse absentee voting. Additionally, I would like to see the "participatory budget" become a mandated allocation of discretionary funding for all city council districts.

## II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, what are your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as to evaluate your candidacy in the future.

Please feel free to use additional paper if the space provided is not sufficient, and to affix additional information such as a résumé, campaign brochure, or issue statements. We thank you very much for your response.

### TOP FIVE 2017 CAMPAIGN PROMISES OR GOALS

1. Harlem has had the 2<sup>nd</sup> highest rent increase in rent in N.Y. City in the last decade. My promise to fight to lower rent increases for residents and to increase low-income housing.
2. Public schools in Harlem are currently under-funded and under-performing. I promise to increase programs for students as well as training for teachers in public schools.
3. I will fight to make Harlem a healthier community by resisting pollution and increasing incentives for green infrastructure and renewable energy.
4. Harlem is also a food desert in many places and is still in food insecurity. I will work to bring more CSAs and Farmer Markets as well as quality supermarkets.
5. I would like to see access to the ballot box made easier via clearer policies for absentee and easier access to primaries.

### III. ETHICAL REPRESENTATION OF CONSTITUENTS

Citizens Union believes that all New Yorkers deserve to be represented by officials who work for the public interest and honor public trust. With the corruption conviction of recent state legislative leaders, we seek to endorse a candidate who will demonstrate that she/he will honor the full commitment of the oath of office, and will always represent the public interest above all else.

Please tell us how you have and would continue to conduct the political affairs of this office in an upright manner, and restore the public trust in your district.

As an ethicist, a minister, and a former member of the U.S. Army, I have the highest regard for principles of honesty, integrity, and ethics. As a member of the city council I will uphold the values and qualities that these positions entail, and work to bring more transparency to political official duties, responsibilities, spending, and votes.
