

## 2013 QUESTIONNAIRE FOR CANDIDATES FOR CITY COUNCIL

---

Citizens Union would appreciate your response to the following questions related to policy issues facing the City of New York that are of concern to Citizens Union and residents of the City. We plan to make public your responses to this questionnaire in our Voters Directory, on our website, and in other appropriate venues. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our “Preferred Candidates” for the primary election and “Endorsed Candidates” for the general election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed. We thank you very much for your response.

**Additional Comments:**

Concerning the Public Safety portion of the above, as a Council Member I would want a strong case made to me as to why the current oversight mechanisms for the police are failing before I support any addition oversight measures.

Concerning the Budget portion of the above, I am supportive of measures that make the listed organizations budgeting less political, however, I would want to know the details of what would replace the current system.

On an additional note, as Councilmember, during Community Board meetings I would limit my speaking time to 3 minutes. This is the amount of time citizens are allowed to speak during the general forum portion of the meetings. It is frustrating and contrary to our democratic nature that politicians are allowed to monologue without end, yet average citizens are not allowed to critique those politicians speeches during the meeting and must limit their own speaking time to three minutes.
