

## 2013 QUESTIONNAIRE FOR CANDIDATES FOR CITY COUNCIL

Citizens Union would appreciate your response to the following questions related to policy issues facing the City of New York that are of concern to Citizens Union and residents of the City. We plan to make public your responses to this questionnaire in our Voters Directory, on our website, and in other appropriate venues. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the primary election and "Endorsed Candidates" for the general election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed. We thank you very much for your response.

**Additional Comments:**

We are not going to have an effective government unless people trust their elected officials. The indictment of the sitting Council Member in the 19th District and the drumbeat of corruption scandals throughout the City and State Government make integrity the primary issue in this election. My number one priority will be to restore integrity and transparency to both District 19 and the City Council as a whole. I will establish a discretionary spending oversight board to make sure that discretionary funds are spent to benefit the public and not to enrich elected officials and their relatives. In the 19th District, this oversight board will consist of an appointee of each of the two chairs of the community boards, the chair of the budget committee of the two community boards and a representative from the Queens District Attorney's office. A majority of the board must approve any discretionary spending and the representative from the District Attorney's office will have an effective veto power. I will also sponsor legislation to require every City Council district to have discretionary funding vetted through an oversight board. I have also pledged to institute full transparency of my daily schedule so that everyone will know when I am meeting with constituents, organizations or lobbyists. As we know, public corruption almost always takes place behind closed doors and making my daily schedule available to the public will help restore faith in government. I will also fight for legislation to make it a misdemeanor when public officials and their staff members witness corruption but fail to report it.

I pledge to pursue an agenda on the City Council to make the political process more fair and open and to make our government more accountable, responsive and transparent. I look forward to working with Citizens Union to implement this agenda.

## II. CANDIDATE ACCOUNTABILITY QUESTIONNAIRE

Citizens Union is adding a new element to its evaluation of candidates running for office. As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as, to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

### TOP FIVE 2013 CAMPAIGN PROMISES

1. I will establish a discretionary spending oversight board to make sure that discretionary funds are spent to benefit the public and not to enrich elected officials and their relatives.
