

2012 QUESTIONNAIRE FOR CANDIDATES FOR NEW YORK STATE LEGISLATURE

Citizens Union would appreciate your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our “Preferred Candidates” for the September 13th Primary Election, and our “Endorsed Candidates” for the November 6th General Election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed.

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

I have supported government reform at every opportunity; this includes my advocacy of campaign finance reform and the implementation of publicly financed elections. I will continue to push for “clean money, clean elections” in Albany. Additionally, I fought hard for independent redistricting and kept my pledge to the voters by voting against a rigged redistricting plan that unfairly protected incumbents and disenfranchised minority communities across the state. Following the latest Board of Elections debacle in the 13th Congressional District elections, I am working with fellow reformers to draft legislation to fix the many problems that exist at the Board of Elections.

* I support reforming the BOE before examining the viability of any outside entities to oversee the Board.

II. CAMPAIGN PROMISES MADE TO VOTERS (PAST AND CURRENT)

In addition to evaluating their stances on the issues above, Citizens Union will assess incumbents on how well they kept the promises they made to voters during the previous election.

As an elected official who is seeking re-election,

- a. what were the top five promises you made to your constituents when you ran for your current seat and what progress has been made in keeping those promises, and
- b. what are the top five promises you are making to the voters during this campaign?

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

TOP FIVE CAMPAIGN PROMISES FROM 2010 AND ACTION ON THEM

1. Fight for independent redistricting

Worked to enact independent redistricting and voted against the partisan, pro-incumbent gerrymandered lines put forward by Senate Republicans

2. Stand up for affordable housing

Led the effort to extend and strengthen rent regulations, which helped millions of tenants in New York.

3. Communicate with constituents from all parts of the district on a consistent basis

Operated office hours out of all parts of the district and held dozens of public events touching every neighborhood in the 31st Senatorial District. Held extended office hours and used every possible tool to reach out to maintain open communication with constituents.

4. Support education funding for public schools

Voted “No” on the education portion of the budget in 2011 when New York City’s schools were facing major funding cuts. Voted “Yes” on the 2012 portion of the education budget when funding levels improved.

5. Support for marriage equality

Voted to pass marriage equality, helping to make New York the largest state in the country to legalize same-sex marriage and extend hundreds of civil rights to New Yorkers, regardless of sexual orientation.

TOP FIVE 2012 CAMPAIGN PROMISES OR GOALS

1. Reform government and elections
2. Increase New York’s minimum wage by pushing legislation I am currently sponsoring
3. Fight back against hydrofracking
4. Support funding for education and healthcare services
5. Bring more constituents into the democratic process by engaging new communities and finding new ways to reach constituents
