

2012 QUESTIONNAIRE FOR CANDIDATES FOR NEW YORK STATE LEGISLATURE

Citizens Union would appreciate your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the September 13th Primary Election, and our "Endorsed Candidates" for the November 6th General Election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed.

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

35. What is your position on enactment of legislative rules reform to strengthen rank-and-file members' roles in the legislative process and create more equity between members?	Support

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

Q#24: I am in support of simplifying and modernizing the state's court system by consolidating the nine trial courts into a two tiered system only if their is a fair and balanced system that benefits the voters.

Q#29: As I look to learn more about GAAP....I support the use of Generally Accepted Accounting Positions as well as the part of State Gov't where Cash Accounting actually works while exploring the possibility of a hybrid system if that should prove best for the State.

Q#31: As a legislator I will use the system of checks and balances to insure that the budgets and measurements as well as other evaluating criteria are being done fairly and equitably.

Q#34: I support increasing public access to information via The FOIL ACT.. THIS IS LONG OVERDUE!!!!

II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises or goals you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises or goals to evaluate your performance while in office, as well as to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

TOP FIVE 2012 CAMPAIGN PROMISES OR GOALS

1. **TRANSPARENCY:** Creating greater and easier access along with the training tools that teach constituents how to interpret the data.
2. **Economic Development:** removing obstacles while increasing access to state gov't contracts for small business owners and community orgs.
3. **Environment:** Maintaining and expanding open space within the district and NYS in general. In addition I would actively engage in a Green Initiative to expand access to green initiatives in the private and public sector that have mandated minimum standards & greater incentive for those that achieve greater or the minimum.
4. As a Legislator I want to introduce legislation that allows for greater access to gov't which expands human and civil rights. Create better access for constituents to Housing and Social Services ie; youth programs, senior programs, adult services as well as services for the mentally ill and physically challenged.
5. **Crime:** I would push for a Law Enforcement System that puts emphasis on Prevention because the current system focuses on Response Action !!!
