

2012 QUESTIONNAIRE FOR CANDIDATES FOR NEW YORK STATE LEGISLATURE

Citizens Union would appreciate your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the September 13th Primary Election, and our "Endorsed Candidates" for the November 6th General Election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed.

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

I was extremely dismayed by the failure of the Legislature and Governor to implement meaningful redistricting reform effective in 2012. We must not let such a clearly partisan, self-dealing redistricting process transpire again. If elected, I will advocate for the swift passage of S.6698/A.9526 in the 2013 Legislative Session and will then work to educate my constituents about the constitutional amendment and encourage them to vote for it at the ballot box.

I cannot overstate my commitment to the comprehensive campaign finance reforms Citizens Union seeks. The pay to play culture in the State Legislature gives well-financed special interests and high-paid lobbyists extraordinary power over the legislative process. I believe that enactment of meaningful campaign finance reform will facilitate passage of other important reforms as well as many worthy bills that would otherwise die in committee.

II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises or goals you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises or goals to evaluate your performance while in office, as well as to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.
