

2012 QUESTIONNAIRE FOR CANDIDATES FOR NEW YORK STATE LEGISLATURE

Citizens Union would appreciate your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our “Preferred Candidates” for the September 13th Primary Election, and our “Endorsed Candidates” for the November 6th General Election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed.

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

I have been a South Bronx community activist my entire life. I am a Vietnam Veteran who came out of the war fighting for our neighborhoods. I have fought against Stop-and Frisk, against Fresh Direct, against the closing of our schools, fire stations, and centers. I fought against the closing of Hostos College and the closing of our Post Office Stations. I stand by our immigrant brothers and sisters and their struggles; and I have close relationships with many community groups and agencies that assist our area, and have been on their boards or have worked with them. I fought against the recycling plant and against the contamination of our air and water. I am still appearing in Court to this day as tenant advocate.

II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises or goals you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises or goals to evaluate your performance while in office, as well as to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

TOP FIVE 2012 CAMPAIGN PROMISES OR GOALS

1. Attract jobs to the community and provide residents with opportunities to work earning a living wage; bring opportunity to the South Bronx by creating a business and educational atmosphere that will attract employers who will give good paying jobs to the community; establish a high-tech industrial zone for that industry and for environmental-green corporations; establish educational schools and training for such jobs. This includes internships for youths and summer youth job programs.
2. Improve the educational system by investing more in Public Schools rather than charter schools; creating after-school programs; building strong PTAs; more teacher-parent involvement; stronger

support for our teachers and the public school system. Demand that Albany and Washington focus on expanding our schools and providing food, after-school programs and summer programs so that our children are continuously being taught.

3. Protecting the health and well being of our seniors by providing good housing, senior centers, and making sure they are safe on the streets. Expanding health facilities for seniors.
4. Reducing crime in the neighborhood by working with church, police, and community agencies in developing and promoting programs – not stop and frisk – that will actually reduce crime and keep our streets safe for everyone.
5. Promoting and pushing for the rights of our immigrant population, including support of the DREAM act and for amnesty.
