In addition to evaluating stances on the issues above, Citizens Union also assesses incumbents on how well they kept the promises made to voters during the previous election.

As an elected official who is seeking re-election,

- what are the top five promises you are making to the voters during this campaign?

TOP FIVE CAMPAIGN PROMISES FROM LAST ELECTION AND ACTION ON THEM

1. **Ethics Reform.** Have introduced numerous bills in this regard. However, the Senate Majority has not allowed any of them to be put up for a vote.

2. **Improve the environment.** Again introduced numerous bills to address the environment and climate change; but the Majority has not allowed a single bill to come to the floor for a vote. Held hearing on Climate Change.

3. **Expand educational opportunities.** The two past State budgets have included additional monies for education, including provisions for free tuition at State colleges.

4. **Improve traffic safety.** Co-sponsor of Speed camera bill currently stalled in Albany. Continue to fight with the City to be more responsive to the need for additional traffic controls. Introduced legislation to allow for more community input in those decisions. Some limited success.

5. **Reform property tax.** My Legislation to reform tax code relating to co-ops and condos has passed the Senate for several years. Unfortunately, the Assembly has not brought the companion bill to the floor for a vote.

TOP FIVE 2018 CAMPAIGN PROMISES OR GOALS

1. Pass legislation to improve the environment, reform tax code, ethics and election reform.

IV. ETHICAL REPRESENTATION OF CONSTITUENTS

Citizens Union believes that all New Yorkers deserve to be represented by officials who work for the public interest and honor the public trust. With the corruption conviction of recent legislative leaders, we seek to endorse a candidate who will demonstrate that she/he will honor the full commitment of the oath of office, and always represent the public interest above all else.

Please tell us how you have and would continue to conduct the political affairs of this office in an upright manner, and maintain the public trust.

Have always supported good government reform both in the City Council and now in the Senate. Have always refused to accept

the lulu's, turning down tens of thousands of dollars because it is an anti-good government measure. I believe I have one of the best record and reputation in government.
