**CITY COUNCIL REFORM**

8. How do you feel the reformed bill drafting process is going under the enacted 2014 Council Rules Reforms and do you think we need a more independent process similar to New York State Legislature's bill drafting commission? The NYS Legislative Bill Drafting Commission allows for independent bill drafting in a divided partisan legislature. The 2014 changes to the Council Rule put the Council on a better path to member input though there is a lot of room for improvement. The additional support staff helps with efficiency and speeding up the review process timeline. That said, because bills often require agency input, agencies can sometimes delay the process or influence the language of the bill based on the Mayor's agenda. The Speaker can also have major influence over the timing of the drafting of bills.
