### CITY COUNCIL REFORM

8. How do you feel the reformed bill drafting process is going under the enacted 2014 Council Rules Reforms and do you think we need a more independent process similar to New York State Legislature’s bill drafting commission?

The new bill drafting process is definitely a step in the right direction, and establishing the bill drafting unit at least gives a foothold towards fully independent bill drafting. But this is one of those rare examples where Albany is actually ahead of the city when it comes to legislative independence, and I support increasing funding for the unit with the goal of having it handle all bill drafting as soon as possible.

12. What is your position on ensuring a more equitable and needs-based distribution of discretionary funding?	<input checked="" type="checkbox"/> Support / <input type="checkbox"/> Oppose
13. What is your position on increasing transparency of discretionary funding by requiring the list of capital and expense funds and their sponsors be provided to Councilmembers and the public three days in advance of any vote, and expanding the online searchable database of expense funds to include all capital fund recipients and applicants?	<input checked="" type="checkbox"/> Support / <input type="checkbox"/> Oppose
14. What is your position on extending term limits from two four-year terms to three four-year terms?	Support / <input checked="" type="checkbox"/> Oppose

17. What is your position on enhancing the Civilian Complaint Review Board's (CCRB) authority to initiate an investigation into reported or known incidents of police misconduct without receipt of a formal complaint?	<input checked="" type="checkbox"/> Support / <input type="checkbox"/> Oppose

28. In November, voters in New York will be asked whether they wish to hold a constitutional convention to amend the New York State Constitution. What is your position on holding such a convention?	Support / <input checked="" type="checkbox"/> Oppose
---	--

29. If you support the constitutional convention, what actions, if any, will you take to ensure that it takes place? If you oppose the convention, what will you do to defeat it?

I will be a very outspoken critic of the state constitutional convention and will use my office, and campaign to advocate for its defeat this November. Allowing a constitutional convention will open New York to the highest bidder. It will open the flood gates to outside extremist with deep pockets to push their agenda onto New Yorkers. Currently, 26 states have right-to-work laws. Results from a convention can have disastrous outcomes for the hard-working men and women throughout New York.

30. Last year, Citizens Union helped craft and push for the enactment of a law that placed political contribution limits and disclosure requirements on nonprofits that are formed by, or affiliated with, elected officials, which helped prevent some significant features of an emerging "pay-to-play" culture in New York City. Do you have any other ideas to further limit such a culture and create a better environment where contributions, either personal or political do not unduly influence the actions of elected officials?

I believe that anytime we can create greater transparency in our process we're doing something correct.  
As an Assemblyman I voted to close the LLC Loophole in New York that allow unlimited amounts of money to pour into our elections.

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

## II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, what are your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as to evaluate your candidacy in the future.

Please feel free to use additional paper if the space provided is not sufficient, and to affix additional information such as a résumé, campaign brochure, or issue statements. We thank you very much for your response.

### III. ETHICAL REPRESENTATION OF CONSTITUENTS

Citizens Union believes that all New Yorkers deserve to be represented by officials who work for the public interest and honor public trust. With the corruption conviction of recent state legislative leaders, we seek to endorse a candidate who will demonstrate that she/he will honor the full commitment of the oath of office, and will always represent the public interest above all else.

Please tell us how you have and would continue to conduct the political affairs of this office in an upright manner, and restore the public trust in your district.

I have spent my life addressing issues all city residents in all communities face. From protecting immigrants, to fighting for women's rights, addressing issues facing the LGBTQ community and more; It is my job as a person elected by his community to represent it well, and without bias from external forces. We all know to well how corruption and lack of accountability can harm our community, and the last thing we need is to follow in the footsteps of those who have practiced failed, biased, and unjust leadership
