5. What is your position on modifying the City Charter to require that laws enacted by referendum only be changed through approval by the voters? **Support / Oppose**

CAMPAIGN FINANCE REFORM

6. What is your position on prohibiting participants in the city's campaign finance program from using public matching funds to purchase strategic campaign consulting services from firms that also provide lobbying services? **Support / Oppose**

CITY COUNCIL REFORM

8. How do you feel the reformed bill drafting process is going under the enacted 2014 Council Rules Reforms and do you think we need a more independent process similar to New York State Legislature's bill drafting commission?

I am a strong supporter, having experience with the City legislative process. The 2014 Council Rules Reforms were an important step forward in creating a more equal, transparent, and modernized City Council. One of the best promises of the reforms was improving the bill drafting process. Unfortunately, there is more work to do on this front. I have personally worked with the legislative bill drafting unit in Albany and found it to be an excellent model for the City Council, where legislation is drafted in an expedited manner by an independent unit.

Here are a few ideas on how we can improve the bill drafting and legislative process:

1. **Establish an independent, well-resourced bill drafting unit.**
2. **Allow for more freedom to introduce legislation rather than current limitations on bills and bill requests. Personally, I believe Council Members should have full freedom to introduce legislation, but I would accept some reasonable limitations.**
3. **Transparent bill aging so that the public has clearer information about when a bill is being considered for a vote. I would place all active aging bills online for the public to see which bills are coming to a vote.**
4. **Time limitations on a Council Member holding an LS request.**

9. What is your position on the following proposals enabling Council committees to function more effectively and independently of the speaker:

a. Should committee chairs have the ability to hire at least one committee staffer? **Support / Oppose**

b. Should committee hearings and votes be scheduled at the direction of the chairs? **Support / Oppose**

c. Should committees be able to issue subpoenas by a vote of their members? **Support / Oppose**

d. Now that committee chair stipends have been eliminated what is your position on reducing the overall number of committees so members can participate more meaningfully in fewer issues? **Support / Oppose**

10. What is your position on greater disclosure of councilmembers' outside income? **Support / Oppose**

11. When the Quadrennial Compensation Commission is reconvened, what is your position on requiring that any future increase in councilmember compensation only apply prospectively to the following term? **Support / Oppose**

12. What is your position on ensuring a more equitable and needs-based distribution of discretionary funding? **Support** / Oppose

13. What is your position on increasing transparency of discretionary funding by requiring the list of capital and expense funds and their sponsors be provided to Council Members and the public three days in advance of any vote, and expanding the online searchable database of expense funds to include all capital fund recipients and applicants?
Support / Oppose

14. What is your position on extending term limits from two four-year terms to three four-year terms? **Support** / Oppose

15. What is your position on making all actions designed to influence any City Council outcome, including the choice of Speaker, reportable as a lobbying expense? **Support** / Oppose

PUBLIC SAFETY AND OVERSIGHT OF POLICE MISCONDUCT

16. What is your position on establishing the Commission to Combat Police Corruption (CCPC) as a permanent commission in the City Charter while empowering the CCPC to issue subpoenas? **Support** / Oppose

17. What is your position on enhancing the Civilian Complaint Review Board's (CCRB) authority to initiate an investigation into reported or known incidents of police misconduct without receipt of a formal complaint? **Support** / Oppose

18. What is your position on granting the Civilian Complaint Review Board (CCRB) with the authority to prosecute officers found guilty of lying during CCRB investigations? **Support** / Oppose

19. What is your position on reinstating the zero tolerance penalty for false official statements by public officers? **Support** / Oppose

20. What is your position on requiring the Police Commissioner to explain divergence from NYPD trial judge and CCRB disciplinary recommendations and to make the explanation public?
Support / Oppose

21. What is your position on requiring the NYPD to publish a regular report of use of force incidents with data disaggregated by race? **Support** / Oppose

22. What is your position on requiring the NYPD to publish a regular report of use of force incidents with data disaggregated by race? **Support** / Oppose

BUDGET REFORM

23. What is your position on establishing independent budgeting for:

a. the borough presidents? **Support** / Oppose

b. Conflicts of Interest Board? **Support** / Oppose

c. the public advocate? **Support** / Oppose

d. community boards? **Support** / Oppose

24. What is your position on making the budget process more transparent by clearly defining and limiting units of appropriation? **Support** / Oppose

25. What is your position on release of revenue projections (other than property taxes) prior to Council hearings on the Executive budget? **Support** / Oppose

LAND USE AND COMMUNITY BOARD REFORM

26. What is your position on designating urban planners for use by community boards and requiring borough president's report to the Council the manner in which they advertise and make community board appointments? **Support** / Oppose

27. What is your position on establishing a formal standardized and transparent process for community board appointments including written applications, interviews of candidates, and filling vacancies within 30 days? **Support** / Oppose

CONSTITUTIONAL CONVENTION

28. In November, voters in New York will be asked whether they wish to hold a constitutional convention to amend the New York State Constitution. What is your position on holding such a convention? Support / **Oppose**

29. If you support the constitutional convention, what actions, if any, will you take to ensure that it takes place? If you oppose the convention, what will you do to defeat it? **See Appendix.**

30. Last year, Citizens Union helped craft and push for the enactment of a law that placed political contribution limits and disclosure requirements on nonprofits that are formed by, or affiliated with, elected officials, which helped prevent some significant features of an emerging "pay-to-play" culture in New York City. Do you have any other ideas to further limit such a culture and create a better environment where contributions, either personal or political do not unduly influence the actions of elected officials?

Yes. I have proposed a number of ideas related to reducing the "pay-to-play" culture:

1. **Earlier "Doing Business" Contribution Limits:** There are certain instances -- such as land use applications -- where the prohibition on 'doing business' starts later than

reasonably expected. I would close loopholes in the campaign finance law to require contribution limits to be instituted at an earlier point in the process.

- 2. Better Public Disclosure of Lobbying Activity:** The City Council can provide better information about who got lobbied, when the meeting occurred, and the subject matter. This information is already provided to the City Clerk, but it's not disclosed to the public.
- 3. Lowering Contribution Limits:** The City can take steps to reduce the amount of money that any single contributor can give. For example, the maximum contribution could be equal to the amount of money that can be received from one contributor through matching funds. So, for a City Council Member the maximum contribution would be \$1,225 (\$175 + the 6x matching).

Please use the space provided or a separate sheet of paper to elaborate on your positions on the issues contained in the previous pages. You may also provide additional information on any actions that you have taken or plan to take to advance your positions on these issues.

II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, what are your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as to evaluate your candidacy in the future. Please feel free to use additional paper if the space provided is not sufficient, and to affix additional information such as a résumé, campaign brochure, or issue statements. We thank you very much for your response.

TOP FIVE 2017 CAMPAIGN PROMISES OR GOALS

- 1. Fighting to Protect and Create Affordable Housing.**
- 2. Creating a More Equitable City.**
- 3. Improving Public Education: Funding, Diversity, and Quality.**
- 4. Fixing Public Transportation: Functionality, Affordability, and Modernization.**
- 5. Making New York City Government More Transparent and Open to the Public.**

III. ETHICAL REPRESENTATION OF CONSTITUENTS

Citizens Union believes that all New Yorkers deserve to be represented by officials who work for the public interest and honor public trust. With the corruption conviction of recent state legislative leaders, we seek to endorse a candidate who will demonstrate that she/he will honor the full commitment of the oath of office, and will always represent the public interest above all

else. Please tell us how you have and would continue to conduct the political affairs of this office in an upright manner, and restore the public trust in your district.
