

2014 QUESTIONNAIRE FOR CANDIDATES FOR NEW YORK STATE LEGISLATURE

Citizens Union appreciates your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. **Please return the questionnaire to us as soon as possible, and no later than July 11th.** Responses to these questions will be one of several factors Citizens Union uses to evaluate candidates running for office in order to determine our “Preferred Candidates” for the September 9th Primary Election, and our “Endorsed Candidates” for the November 4th General Election.

If you seek our support, we will also need to schedule an interview with you as part of the evaluation process. **We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed and have not heard from us.**

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

II. CAMPAIGN PROMISES MADE TO VOTERS (PAST AND CURRENT)

As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises to evaluate your performance while in office, as well as, to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

TOP FIVE 2014 CAMPAIGN PROMISES OR GOALS

Campaign finance reform mirroring the system currently in place in NYC (6:1 matching funds). We need to level the playing field and incentivize low-dollar contributions. Creating a system where the candidate with the most money wins is dangerous. We need a system that allows the community organizer or parent activist to run and win. I will fight for campaign finance that includes state-wide offices and the state legislature.

Funding to public schools. I would work to ensure that all money provided by campaign for fiscal equity is given to schools.

Affordable housing is a top priority. With cost of living skyrocketing, we have a greater need for affordable housing. I will work to secure more affordable housing units (including 2 and 3 bedroom units more conducive for families), protect our Mitchel Lama housing, and work to ensure the conditions of affordable housing passes the same muster we would expect for other housing units in the city.

The Dream Act. Our talented undocumented students should be afforded the same opportunities to advance and have access to affordable higher education.

10 Women's Equality Act. It is imperative to pass a law that ensure women are paid equal pay for equal work, protected from sexual harassment, have access to reproductive health services, and overall protect the rights of women in New York state.

Local Wage Authorization. I support municipalities having the right to set their own minimum wage. If elected to the State Senate, I would prioritize and sign on as a co-sponsor of the Raise Up NY legislation.
