

2012 QUESTIONNAIRE FOR CANDIDATES FOR NEW YORK STATE LEGISLATURE

Citizens Union would appreciate your response to the following questionnaire related to policy issues facing New York State and our interest in reforming state government. Responses to these questions will be one of several factors Citizens Union will use to evaluate candidates who are running for office in order to determine our "Preferred Candidates" for the September 13th Primary Election, and our "Endorsed Candidates" for the November 6th General Election.

If you seek our support, we would also need to schedule an interview with you as part of the evaluation process. We will not automatically schedule an interview with you if you return this questionnaire, as we prioritize competitive races and resources constrain us from evaluating all races. Please contact us if you wish to be interviewed.

We plan to make responses to this questionnaire public on our website, Voters Directory and other appropriate venues. We thank you very much for your response.

On Question 5: They should complete their parole.

On Question 12: I have been dealing with the CFB for years and have many problems with this system. The regulations get more complicated every year and that makes it almost impossible for non accounts o not to get penalized. Plus the agency has grown too large and takes too long to complete their reviews. My feeling is it is so they can justify their job. When the CFB was first created it worked, but not now.

On Question 28: We do not need another bureaucratic agency in Albany. By creating such an agency we are declaring that we cannot trust our elected officials. In fact in most cases we cannot. We shouldn't provide them with another excuse for not doing their jobs.

II. CAMPAIGN PROMISES MADE TO VOTERS

As a candidate who presently does not hold elected office, CU is interested in knowing your top five campaign promises or goals you are making to the voters during this campaign for this position.

If elected, Citizens Union will use these promises or goals to evaluate your performance while in office, as well as to evaluate your candidacy in the future.

We thank you very much for your response. Please feel free to use additional paper if the space provided is not sufficient.

TOP FIVE 2012 CAMPAIGN PROMISES OR GOALS

1. **Jobs:** We need to make New York State a friendlier for small businesses to help with New Yorkers back to work.
2. **Government Spending:** New York State spending is out of control in the growth of our spending is just unsustainable. We need to reduce our budget without reducing services drastically.
3. **Transparency:** For effective government need to change the way business is conducted up in Albany. We need an open and transparent government to hold our elected officials accountable.
4. **Weakening the power of the speaker:** The assembly speaker wields too much power New York State is one of the reasons why something never get to done Albany. That's why must weaken the offices power. We need more voices and more robust debate for Albany to work correctly.
5. **Campaign Finance and Ballot Access Reform:** I have worked on campaigns since 1992. I worked for candidates of both major parties plus the minor parties. I know the system broken and rigged. It is my goal to make it a fair and open system. This is the only way you can have open debate with multiple ideas being discussed.
